Nonpublic Workshop Registration Federal Programs, Federal Financial Management October 2006

We have scheduled the following nonpublic workshops to discuss the nonpublic registration form, the public school/nonpublic school consultation process, allocation procedures, and other federal program issues. We anticipate having a two-hour presentation, with additional time for questions and answers and one-on-one consultations, if needed. Both public and nonpublic schools are invited to attend.

In order to ensure sufficient handouts, we ask that you RSVP at least one week prior to the workshop. Fax: 573-526-6698 or Mail: Federal Financial Management, P.O. Box 480, Jefferson City, MO 65102
